EVERETT WESTCOTT

The opening days of this school year were saddened for Beverly High School by the news of the death of Mr. Everett Westcott. He became director of our band in February of 1946 but, in spite of this comparatively short association, had come to be our friend and an essential part of our school, liked and respected by all. Mr. Westcott had been teaching in this vicinity for thirty years and was considered one of the finest of percussion musicians. He was a member of the large concert orchestra which opened with the Metropolitan in Boston and was with them for twenty-five years. The loss of his dynamic and inspirational teaching will be greatly felt.

LEE JAMESON

TO OUR ADVISER

Under the friendly guidance of Mr. Jameson, the class of 1948 has become as well-prepared as possible to meet the problems and responsibilities of a new life. Our adviser, sponsor, friend, he will never be forgotten. His efforts to make our undertakings successful have been untiring.

Mr. Jameson, as the years go by, we hope you will be able to look back upon our class with a feeling of deep satisfaction for our accomplishments. But please remember, without your unfailing support, none of our plans could have been carried out. For all your cooperation and help, we shall be forever grateful.

DEDICATION

With sincere respect and everlasting gratitude, we, the class of 1948, dedicate these Senior Memoirs to Mr. Pierce, our retiring principal. His ceaseless efforts and faithful service in the past years have made him countless friends. May he have happiness and success in all his future undertakings.

TO OUR PRINCIPAL

Our high school and the city of Beverly sustain a truly great loss this year in the retirement of Frederick H. Pierce from the principalship of Beverly High School. This post he has held since 1924, with the exception of the three and one half years he served as Superintendent of Schools. An able administrator and educator, in the finest sense of the words, he enjoys a state-wide reputation in this field. His interest in young people has always been genuine and far-reaching, and by no means confined to those under his tutelage. With patience and understanding he has helped to guide hundreds of boys and girls in their choice of vocation; and in this phase of his work as in the treatment of the many problems every school day brings forth, he has shown a sense of fairness and an equanimity which are indeed enviable.

Furthermore, Mr. Pierce is much more than a schoolmaster. Numerous are the facets of his personality. He has always taken an active part in civic affairs. Here again his executive ability has been recognized, for he has served as president of the Rotary Club, the Y's Men, and the Chamber of Commerce. To speak of his interest in photography is to mention only one of his various pursuits outside the profession. His fund of knowledge of the outdoors and outdoor life is the side of his character for which many know him best.

Though he is now leaving B.H.S., we may rest assured that he will remain our close friend and ready adviser. He takes with him our sincere gratitude for his every endeavor in behalf of the school. We hope he in turn retains many pleasant memories of his years at Beverly High. Since he will apply to his new position the same enthusiasm and thoughtfulness which he has always exercised in administering this school, the new venture can only prove to be a complete success.

TO MY GRADUATES

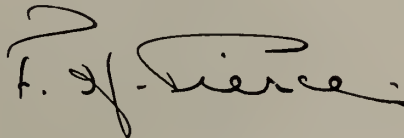

I congratulate you one and all on completing your years of so-called secondary education. Many of you will go on to higher levels of education in institutions for training in special skills and in professions.

My thought to you is that none should feel that his or her education is completed when he graduates from this school. You should all continue your education! In fact, if you are to keep pace with modern conditions of life you *must* continue *learning*!

How? Life itself is a school if so accepted and so practiced. Opportunities to continue mental growth are abundant and present everywhere. My advice is that you do not content yourself with simple exposure to them. Information and real knowledge are two different things. Knowledge leads to understanding, to freedom of thought, to sympathy, and to appreciation and the practice of the principles which we hold most precious in our democratic way of life.

But, above all, you must hold this truth as self-evident. All the knowledge and education in the world will only destroy it, and that right soon, unless we believe in moral and religious truths and ways of thinking and acting. Your greatest need, and the world's greatest need, in the years ahead will be sound and dependable character among its occupants.

Sincerely,

A handwritten signature in dark ink, appearing to read "F. J. Pierce". The signature is fluid and cursive, with a large, sweeping initial "F" and a long, horizontal stroke extending to the right.

SENIOR CLASS HISTORY

OUR EARLY HISTORY, 1945-1946

On September 6, 1945, we entered the Beverly High School three hundred and ten strong. After the preliminary hustle and bustle of opening lockers and finding our way about the maze of corridors, we settled down to join the school activities. First, we elected the following class officers: President, Andre Machain; Vice-President, George Sunderland; Secretary, Richard Field; Treasurer, Shirley Osborn.

"The Wedding," a comedy, was the play we presented on Drama Night. Ralph Kulberg won the prize for the best acting performance. The other members of the cast were Tamara Ushakoff, Donald Prisby, Norman Morin, Samuel Appleton, Elizabeth McGee, and Marie Patch.

The girls' basketball team included Helen Maggiacomo, Marilyn Mason, Jacqueline Wiley, Fay Wright, and Roberta Holmes from our class.

OUR HISTORY IN THE MIDDLE AGES, 1946-1947

We entered B.H.S. again on September 5, 1946, after a summer of rest. By this time, we were familiar with the school and got an early start by re-electing Andre Machain as President; George Sunderland as Vice-President; and Shirley Osborn as Treasurer. David McClary was elected Secretary.

This year the class of '48 presented "The Trysting Place" in the annual Drama Night Competition. The members of the cast included Tamara Ushakoff, Samuel Appleton, Norman Currier, Marguerite Neve, Harriet Masterman, Donald Rogers, and Norman Russell.

On February 14, we held our annual social which was enjoyed by all who attended. The social committee had the gym well decorated in keeping with Valentine's Day. Ice cream, cake, and punch were served.

OUR MODERN HISTORY, 1947-1948

On September 3, 1947 we again entered B.H.S. looking forward to our final year of school activities. We elected for our officers: Richard Field, President; Jacqueline Wiley, Vice-President; June Williams, Secretary; and Shirley Osborn, Treasurer.

Our Barn Dance held on November 14, was an affair much enjoyed by all. Jeans and shirts were in style. Cider and doughnuts were served by a few senior boys dressed as farmers, much to the delight of all. *The Aegis — Just a magazine, it's true,
Not half a hundred pages, all in all.
A spattering of poems, cuts a few.
Four issues: winter, spring, summer, and fall.
Stories there are, light humor, and reports;
Essays, letters, and the prattle galore;
And always faithful resumé of sports.
But these do not suffice — no, there is more.
The Aegis — symbol of our striving here;
The Harbinger of lives that are to be.
Aladdin's lamp ne'er held a thing more dear;
The sandman ne'er possessed more dreams than we.*

*For here is beauty in its rarest form:
Yet primitive — the diamond in the rough.
Here childhood's happy fancies are still warm,
And adult logic still is not enough.
Slowly, damp wings, unfolds the butterfly,
On each of these, the pages of our book;
The wings will later be more bright, more dry.
But they will lose the freshness of their look.
Oh, here is youth's voice, crying to be heard —
For young hands drew this cover, clear and fine;
For young hands sold each ad and wrote each word;
And young hands set the type for ev'ry line.*

From this group, we select a few at a time to work evenings or at any time when there is a performance. In this way, each member is given a chance to learn more about how to operate the lights, and set up and dismantle the scenery. During our club period we usually repair broken scenery and equipment, or clean up our storage room and stage, thus keeping our properties in order. Sometimes we assemble or dismantle scenery. When the boys have completed a year in the club, they have a good idea of what goes on behind the scenes of any stage performance, and also how to help prepare the stage for any type of drama.

Once again this year the primary function of the Beverly High School Orchestra has been to furnish the music for the school assemblies. However, its work has not stopped here.

On Parent's Night, November 13, 1947, the orchestra gave a concert for those parents who desired to attend. This concert was highlighted by *The Oracle* — an overture by Otis Taylor, *On the Beautiful Blue Danube* by Strauss, both played by the orchestra with solos by Caroline Gould, Robert Eldridge, and Ralph Kulberg.

The remainder of the year will find the orchestra at the various assemblies and activities of the school. They are also preparing for several concert appearances with the band and glee clubs during the spring season.

These activities are carried on under the supervision of Mr. Claude Phillips and are aimed at giving the students a wide musical background which may be valuable in their later work. Ralph Kulberg is the student leader.

The Beverly High School Band, clad in their new orange and black uniforms, provided the pre-game and between-half color at all the football contests during the past season. Under a new bandmaster, Mr. John Finnegan, the band abetted the spirit of the day with not only well-executed drills between the halves, but also music during the times-out and after the touchdowns.

Finishing the football season, the band immediately plunged into its concert work. Plans have been made to give several concerts, one of which will be in conjunction with the glee clubs and orchestra. Plans are also being made to attend the Massachusetts Music Festival.

The band has been called upon at several assemblies and members of the band have been used to advertise various school activities. It is also expected that they will participate in several civic affairs in the spring as they have in years past.

The objects of the Club are to better prepare its members for the business world; to reach a high goal in scholastic standing and to keep it; and to promote a closer spirit of cooperation in the Commercial Department.

The members this year have had two enjoyable parties; an evening one at Miss Griffin's home on Halloween, and one at Christmastime at school.

The Commercial Club paper, Commercial Hi-Lites, contains poetry, literature, news, jokes, and gossip of interest to the Commercial students.

During the year the members of the Club enjoyed movies on business subjects and personality development, guest speakers, and field trips to the Boston Herald and other plants.

Phillips, a member of the staff of the *Beverly Evening Times*, on "The Need for World Government," seven representatives of various colleges and universities of the East on "The Meaning of a College Education," Mayor MacLean on "The Government of Our City," and Mrs. Virginia Riordon on "Organizing a Student Chapter of the United World Federalists."

HAND WEAVERS CLUB

First row, left to right: Joan Seople, Cynthia Low, Joanne Morse, Mr. Kimball, Adviser.

Although the Weaving Club consists of only three members, it gets along very well. The small number proves advantageous in that we are able to use only Miss Hett's looms because of the high cost of making smaller ones.

The main purpose of the club is to become well-versed in the fundamentals of hand-weaving and to develop this skill, with possibly some work in making designs.

There have been two articles made so far, both of which came out very well. The adviser is Mr. Kimball and the members are: Joan Seople, Joanne Morse and Cynthia Low.

SURGICAL DRESSINGS

First row, left to right: Doris Page, Dorothy Williams, Dorothy Byrnes, Lois Draper, June Anderson, Lois Garvey, Barbara Conrad, Natalie Russell, Pauline Grondin, Mary Quaranto, Josephine Taglieri, Carole Canty.

The Surgical Dressings Group has a membership of forty-two. It meets in the cafeteria Thursday mornings to make dressings for the Beverly Hospital. At the time the picture was taken twelve meetings had been held and a total of 18,414 dressings had been made.

The members are: Frances Adams, June Anderson, Barbara Batchelder, Joan Brown, June Burge, Dorothy Burton, Dorothy Byrnes, Carole Canty, Barbara Conrad, Marcia Crosby, Joann Daley, Norma Dame, Marilyn D'Amour, Jacqueline Deschenes, Eileen DiRubio, Lois Draper, Jacqueline Fisette, Laurel Gardner, Lois Garvey, Jean Godbout, Pauline Grondin, Edna Hudon, Nancy Jenness, Laura Mallardi, Inez McGee, Patricia McLaughlin, Barbara McKeon, Doris Page, Josephine Paolini, Mary Quaranto, Shirley Robinson, Natalie Russell, Josephine Taglieri, Gloria Van Horne, Marilyn Ward, Louise Wilkins, Lois Wilkinson, Dorothy Whitaker, Judith Whitaker, Dorothy Williams, Judith Woodberry, Florence Woods. FIRE EXTINGUISHER SQUAD

Second Row, left to right: Philip LaCombe, James Pinciario, John Brown, Gregory Semons, Ray LeClerc, Andrew Black, Leverett Campbell, Lloyd Daniels.

Third row, left to right: George Leonard, Walter Hayes, Philip Thompson, Walter Howard, Albert Cloyd, Robert MacKenzie, George Sunderland, Luigi Petrosino, William DiPaolo.

Absent when picture was taken: Peter Price, Philip Hanscome, Paul Fraser, Donald Berry.

A Massachusetts State Law requires every school to have at least ten fire drills a year. For many years Beverly High School has done more than the law requires by having a squad of twenty-four boys to carry fire extinguishers to the location of the supposed fire when drills are held.

Until this school year the squad has never had a real chance to prove its great usefulness. Late last fall, when the school had a drill, the pupils saw several fire engines dash up to the school. They found out later that there had been a fire in a rubbish barrel in the basement near the gymnasium. The extinguisher squad had put out the fire before the city apparatus arrived.

HOME ECONOMICS CLUB

First row, left to right: Betty Coult, Katherine Russell, Sonja Hansen, Jacqueline Welding, *Secretary*; Priscilla Arsenault, *President*; Virginia Bianchi, *Treasurer*; Marie Weaver, Evelyn O'Brien, Natalena Modugno, Lillian Tokum.

Second row, left to right: Miss Demurjian, *Adviser*; Lorraine MacKenzie, Helen Cellentano, June Dodge, Dorothy Greene, Nancy Ward, Mary Neville, Lorraine Allen, Jessie DeCesare, Barbara Santin, Miss Hanson, *Adviser*.

Third row, left to right: Adolphine Presutti, Priscilla Wentworth, Elizabeth Stanton, Melvina Lavine, Ruth Fielding, Patricia Leavitt, Verna Carroll, Idalia Ferreira.

Members absent when this picture was taken: Mrs. Parks, *Adviser*; Elizabeth Boccia, *Vice President*; Joanne Wilson, Nancy Innis.

The Home Economics Club has been very active this year, thanks to the great cooperation of our advisers, Miss Hanson, Miss Demurjian, and Mrs. Parks.

The first of our successful activities was a weiner roast which was held in October. On December 8th we went to Boston to visit the Boston Trade School for Girls to see what new ideas we could get to further our education. The club also had a Christmas party.

The girls made shakers for the football games in order to earn money for the club. Others are planning on selling candy at basketball games to raise more money.

We are proud to have so many outstanding talented Sophomores among us this year, proud of our hard-working Juniors, but, most of all, we are proud of our loyal Seniors and hate to see them leave us.

PARLIAMENTARY LAW CLUB

First row, left to right: Joseph Mitchell, Benjamin Bowden, Barbara Chick, Thomas Woods, Frederick Clapp.

Second row, left to right: Mr. Jameson, *Sponsor*; James Perkins, Gordon Reid, Kenneth Obear, Donald Allen.

Parliamentary law is a system of laws for transacting business in assemblies. Without this systematic form of procedure an assembly lacks order and harmony with a consequent loss of time and efficiency.

Success in mastering parliamentary procedure depends upon ability to comprehend its purpose and underlying principles. It is upon these factors that we concentrate our efforts in the hope that we can diffuse the knowledge throughout our various school groups.

SCIENCE CLUB

First row, left to right: Richard Kellom, David McClary Phyllis Stansfield, Donald Prisky, Raymond Temple, John Grant.

Second row, left to right: Mr. Kishon, Adviser; Eugene Bernson, Bernard Menkes, Richard Lefavour, Wendell Jenness, John Benjamin, Everett Stone.

The Science Club is one of the newest clubs of the school, organized at about mid-year. The members are Senior physics students who are interested in going beyond classroom work for information. The organization of the club is very informal. Each member, or group of members, has his own individual project to work on. For instance, projects are being conducted on such subjects as induction coils, radio, and a stroboscope. The members feel that this is one of the most interesting clubs in the school and hope that future classes will be as enthusiastic.

LE CERCLE FRANÇAIS

First row, left to right: Louis Rossi, Reporter; Raymond LeClerc, Clerk; Eleanor Paradise, Vice-President; Jacqueline Wiley, President; Margery Fitzpatrick, Secretary; Peggy Nolan, Andrew Black, Treasurer.

Second row, left to right: Miss Warren, Adviser; Irene Manks, Virginia Brady, Fay Gregware, Marilyn Andrews, Barbara Hall, Norma Mackey, Joan Paradise, Marilyn MacLeod.

Third row, left to right: Janice Cutler, Cynthia Lewis, Jerry Parisella, Thomas Bott, William Ryan, Anna Gianchetta, Terry Adams, Elinor Wentworth.

Le Cercle Français has been organized to stimulate the students' interest in France and the French language. Weekly meetings are conducted in French, and programs consist of songs, games, dialogues, and reports on special topics of interest. Le Cercle plans to send food and clothing packages to French orphans during the coming months.

PHOTOGRAPHY CLUB

First row, left to right: Alan Ploss, Frank Williams, James Perkins, Mr. Morrison, Adviser; Richard Morris, John Nelson, Robert Laventure.

Second row, left to right: Roy Ackerman, Alan MacInnis, James Callely, Roland Moody, Richard Dennis.

Under the direction of Mr. Morrison, the Photography Club is successfully undertaking the task of solving the problems which come with good picture-taking, starting at the very simple fundamentals, and working up through developing, printing, and enlarging. Color photography is not being discussed in the first year of the Photography Club.

Many field trips were planned, one of which was at Cherry Hill Farm, where the members had their fill of frankfurters, and hot coffee. From there they went to Beverly Airport where the trip came to a close.

An exhibition is going to be held, and all pupils and teachers are invited. The proceeds from the admissions to this exhibition will go towards an enlarger for the Beverly High dark room, located in room 301. This enlarger will not only be of use to this year's club, but in the years to follow.

No girls were enrolled as members this year even though many of the best professional photographers are women. We are in hopes to find a few girls in the club next year.

As well as a hobby, photography can be a very interesting career; there is always an opening for a good photographer.

ART CLUB

First row, left to right: Emily Cresswell, Joan Paradise, William Beaulieu, Mr. LeBlanc, *Adviser*; Eleanor Paradise, Edna Peabody, Terry Adams.

Second row, left to right: Janice Duran, John Hamor, Richard Dran, Jeannette Bender, Lillian Solaris, Joanne Hicks, Edward Shipp, Roberta Holmes.

Under the sponsorship of Mr. Ralph Mann, the Art Club began its first meeting with the election of officers. The President is Eleanor Paradise; the Vice President is Edna Peabody; and the Secretary-Treasurer is William Beaulieu.

The first undertaking was to set up a still life and copy it in charcoal. The class was given new ideas and instructions by Mr. Mann.

At the end of the first quarter Mr. Mann resigned and Mr. LeBlanc took over the club. He started the members off with Christmas designs cut on linoleum blocks.

After the holidays, Mr. LeBlanc introduced creative art to the class. They immediately adapted themselves to the idea and enjoyed the problem.

The Art Club is very helpful to the talented students and should develop into an organization in which all the art students will be interested. From the simple beginnings of this year, it bids fair to grow into a lively club, attracting more and more of those with creative ability.

B.H.S. NEWS

First row, left to right: Joseph DeSantis, Robert Macdonald, Ronald Huard, Robert Sharp, Mrs. Frank Root, *Adviser*; Raymond Carey, Richard McDougall, Walter Coombs, Lloyd Daniels, Arlon Esty.

Second row, left to right: Peter Cotoia, Jerry Foster, Anita Powers, Ruth Fielding, Evelyn O'Brien, Lena Modugno, Gloria Kingman, Priscilla Arsenault, Robert Nelson, Richard Constantino.

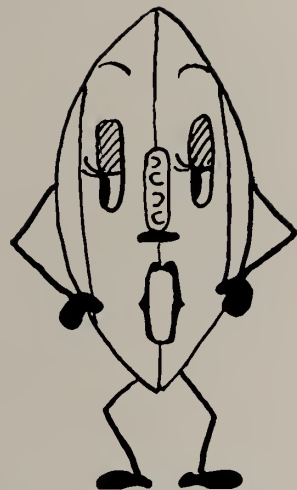

Third row, left to right: John Caverly, Arthur Collins, John Davis, Ralph Drinkwater, Carl Pomroy, Edward Harbick, Eugene Barry.

The B.H.S. News is the official newspaper of our high school. After a long and interesting history, it was found necessary to suspend publication during the last war. This year the paper was revived in smaller format and with less frequent publication than formerly, but, nevertheless, with the same aim of providing an interesting record of the happenings at B.H.S. This paper is published as a class project by the Senior divisions of the Civic Training curriculum.

This year's Cross Country team got off to a good start by beating both Haverhill and Winchester by the score of 24 to 34. When they were defeated by Belmont, it was the first loss suffered by "Doc" Rudkin's Harriers since Melrose beat them in the first meet of 1944.

Standouts for the team this year were: Captain Bob Macdonald, Ralph Kulberg, Bob Kingsley, Lawrence Cann, and Bill Moffett.

Next year's prospects are Benjamin Bowden, Pio Angelini, Donald Davidson, Raymond Tarr, John Daley, Morton Galper, James Dodge, James Pettipas, Frank Williams, and Clark Richards.

CHEERLEADERS

First row, left to right: Janice Morency, Barbara Ryan, Head Cheerleader; Grace Him.

Second row, left to right: Theresa Laverdiere, Patricia McLaughlin, Bertha Gadbois, Norma White, Irene Manks.

This year B. H. S. has been proud of the appearance and ability of its cheerleaders. Under the leadership of Barb Ryan, these girls: Roberta Holmes, Theresa Laverdiere, Pat McLaughlin, Norma White, Chickie Gadbois, Grace Him, Irene Manks, Janice Morency, and Janet Pearse have been outstanding along the North Shore. They have attracted much attention by originating many new and unique cheers which have pepped up the atmosphere of our games considerably. The new black and gold uniforms which the girls purchased themselves added greatly to the effectiveness of their performance.

Their fine work is a challenge to the cheerleaders who will contribute their services to B. H. S. in the years to follow.

FOOTBALL

First row, left to right: Joseph Nuccio, Manager; Donal Jarvis, Arthur Vaccaro, Fred Walker, William DiPaolo, Luigi Petrosino, Walter Hayes, James Weaver, Gregory Semons, Richard MacDougall, Leverett Campbell, George Sunderland.

Second row, left to right: Mr. Walsh, Coach, George Downing, David Laramie, Philip Lacombe, Robert Cari, Kenneth Kessariss, Austin Woods, Donald Rogers, Richard Theriault, Norman Pfaff, Michael Toomey, Donald Woodbury, Paul Kelleher, Dominic Abate, Edward Packard, Gerald Pizzello, Raymond LeClerc, Stephen Huntington, Assistant Manager.

Third row, left to right: Donald Davidson, Donald Berry, Paul Weir, Robert Fielding, George Accomando, Antonio Maggiacomo, Raymond St. Pierre, John Stuart, William Ryan, Merton Kaplan, Frank Chamberlain, Thomas Rapisardo, Thomas Wood, Philip Hanscome.

Although finishing with a record of five wins and five losses, this year's team was considered a good one. They scored 105 points while allowing their opponents to score only 42.

Coach Walsh will lose his entire forward wall this year, and part of the backfield. Boys who played their last game for Beverly on Thanksgiving morning in the line were Co-Captain Greg Semons, Walt Hayes, "Truck" Petrosino, Jim Weaver, John Donovan, Leverett Campbell, Roger St. Pierre, Phil Hanscome, Tom Wood, Dick MacDougall, and Art Vaccaro.

In the backfield, men playing for the last time included Co-Captain Bill DiPaolo, George Sunderland, Ray Carey, Phil LaCombe, and Fred Walker.

Next year, Beverly will once more have three captains. The boys chosen, Mike Toomey, Mickey Abate, and Don Berry, were prominent figures of this year's team, and should constitute a good backbone for next season. Other boys who will be back and have worked hard this past year were: Ray LeClerc, Frank Chamberlain, Sandy Kessariss, George Accomando, Dick Theriault, Norm Pfaff, George Brewer, Bob Carr, Paul Fraser, Paul Kelleher, Dick Filippeta, Don Rogers, Austin Woods, Bob Fielding, and Ray St. Pierre.

Two boys, who have received little attention for the past three years but who certainly deserve a lot, are the two managers, Joe Nuccio and Steve Huntington.

The class of 1948 wishes Coach Walsh the best of success in his future years at B.H.S.

BATON SQUAD

Left to right: Elvira Novack, Drum Majorette; Dorothy Williams, Loretta Howard, Dorothy Houghton, Jacqueline Byrnes, Barbara Bachelder, Patricia Riordan, Squad Leader.

At every appearance of the baton squad during 1948, an impressive performance was given. The girls making up the squad were Elvira Novack, Drum Majorette; Pat Riordan, Squad Leader; Barb Batchelder, Jackie Byrne, Dorothy Williams, Loretta Howard, and Dot Houghton. As a result of much faithful practicing, the group was able to come before the public with a twirling performance displaying excellent coordination. The squad appeared at all the football games and helped to brighten up some assemblies. They deserve much credit for their service, which boosted the morale of the football team and community.

Joyce Stanfield and Isabel DiDinato are to be congratulated also for their splendid work with the squad.

FLAG SQUAD

*First row, left to right: Peggy Sawyer, Edna Peabody, Joyce Klink, Nancy Hamor, Jacqueline Wiley, Tamie Ushakoff.
Absent when pictures were taken: Mary Pettipas.*

Adding greatly to the effectiveness of the band and the baton squad at Beverly's football games, we have this corps of girls, who carry the flags and act as a guard of honor. They carry out their part of the program with skill and efficiency, and their uniforms and the flags give color to the occasion. They, too, must give up their own time for drilling. This group has become a very necessary part of our fall sports program and has won the admiration of the entire school.

GIRLS' BASKETBALL

First row, left to right: Patricia Toomey, Constance Leonard, Jean Stapledon, Jacqueline Wiley, Helen Maggiacomo, Captain; Barbara Beeman, Laura St.Pierre, Diane Sterman, Marilyn Woods.

Second row, left to right: Marilyn Mason, Bernice Misner, Gloria DePasquale, Doris Bernson, Terry Adams, Mary Lane, Dorothy Kitchener, Ida Mazzaglia, Barbara Chick, Joan Paradise, Manager.

The 1948 Girls' Varsity basketball team has not had a very successful season. So far they have lost six games, tied one game, and won one game. Their opponents have been Ipswich, Peabody, Swampscott, Winthrop, and Marblehead. The games yet to be played are a return game with Peabody and with the Junior Daughters of Isabella. They had two scheduled games with Hamilton but they were unable to play either of them due to an illness of their coach.

This year's seconds were also much defeated, scoring seven losses and one win.

HOCKEY

Although the 1948 hockey team went winless in its ten game series, Coach "Bus" Foley's boys played some good games against tough competition.

Two Seniors, John Donovan and Art Collins, were the spark plugs of the Beverly team and were selected to play on the North Shore All-Stars. Donovan, a great center, scored five of Beverly's seven goals, while Collins played excellently in the goal and as a defense man. Other Seniors who played well were: Dick Lefavour, Arlon Estey, Peter Price, and Lev Campbell. The only tragedy of the season happened in the Salem game when Price crashed into the boards and fractured his ankle.

Undergraduates who saw a great deal of action were Ken Keech, Bill Palm, Bob Nicoll, Bob Entwistle, Don Mitchell, and Bob Whelan.

TRACK

The track schedule has not been made up as yet, but some of the boys are practicing in the gym. Headed by Captain Bob Kingsley, the veterans of last year are Bill Moffett, Ralph Kulberg, Bob Macdonald, Roger St.Pierre, Melvin Dawe, Ray Carey, Kenneth Blake, Mike Toomey, and Phil LaCombe. Other candidates are Davidson, Williams, Angelini, Burnham, Young, and Rogers.

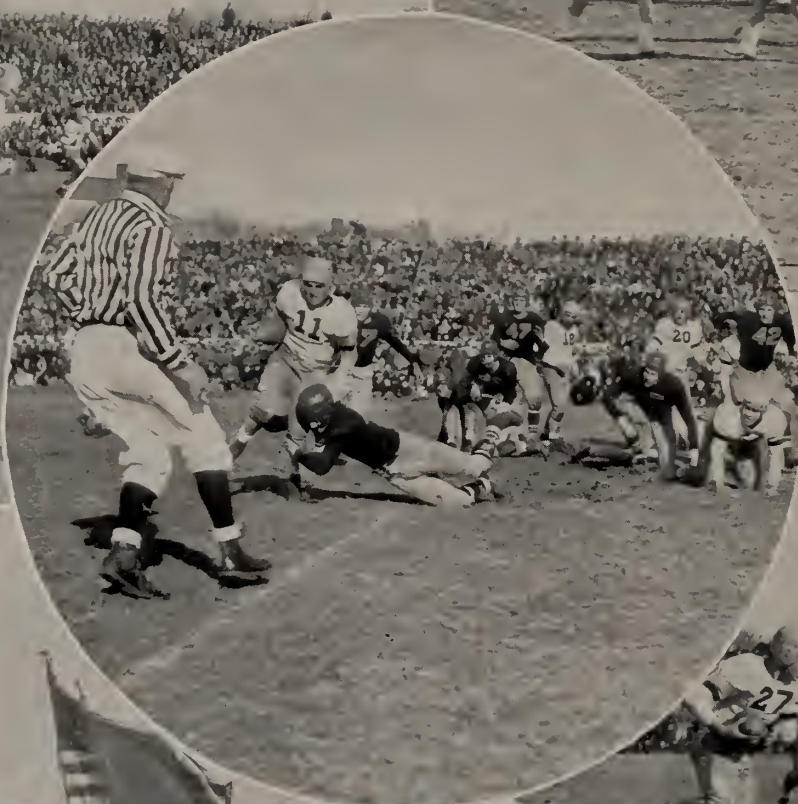

We wish Coach "Doc" Rudkin and his boys the best of success in the coming year.

GOLF

Beverly has always featured a good golf team, and this year we are again expected to be among the better teams of the state. Last year's team won the North Shore Golf Championship but was beaten in the state semi-finals by Brookline. The Co-Captains of the 1948 team are Bill Palm and Jim Buckley, veterans of last year. They will be supported by Ronald Huard, Jim Gillis, Paul Kelly, and John Duran.

BASEBALL

The official 1948 baseball season has not yet started, but many boys are anticipating the coming of spring. Captain Art Collins, a veteran second baseman of two years, will lead the candidates. Supporting him, will be pitchers Bob Sharp and Sandy Kessar. Both these boys are very versatile, being able to fill in as catcher and shortstop respectively. Other returning veterans are Ray Carey, Larry Cann, Peter Price, George Zarkades, and George Brewer.
